

Clinical Engineering Technicians II/III
Full-time

Berkshire Medical Center, located in the pristine Berkshire Hills, Pittsfield, Massachusetts, is growing. As we do, we are creating new opportunities in the Clinical Engineering department. Come join a team environment that supports your career goals and your future. We are seeking (bio-med) professionals for the positions of **Clinical Equipment Technician II and III**. These positions are full-time with benefits and the primary hours are day shift but flexibility will be required to meet equipment servicing needs. Responsibilities include preventative maintenance, safety checks and repairs to clinical instrumentation, operating assistance to users of clinical equipment, assistance in the evaluation of proposed clinical equipment and repairs to non-clinical equipment as assigned. Required qualifications include:

- Associates degree in Biomedical Electronics, Electronic Technology or the equivalent educational/work experience.
- At least 5 years of experience for Level III and 2 years for Level II.
- AAMI certification, CBET or equivalent experience for Level III.
- A valid drivers license and willingness to service offsite affiliates.

Qualified applicants are invited to send a resume to **Sue Purdy, Employment Office at Berkshire Medical Center, 725 North St., Pittsfield, MA. 01201. FAX (413)447-2091 or e-mail to hr@bhs1.org. Please visit our website at www.berkshirehealthsystems.com. EOE.**
